Business World Investing mission

The main mission of our company is contribution to economic development of all our partners. That is why we commit ourselves to:

- pay out rewards calculated according to your plan in time;
- render support to the development of your business;
- inform you on any changes in your business and its rules.

Why is collaboration with Business World Investing profitable and comfortable?

No investments and risks

You do not need investments to construct your own independent business with Business World Investing, this means no risk. A Partner is only to find clients and receive commissions. Your profit depends on the amount of money.

Great profit

We offer you a unique opportunity to develop your own independent business in the sphere of financial investments and to ensure a great level of profit (up to 5% of attracted capital).

Free working schedule

Now there is no need to be in a hurry for office and spend hours there till night. You can plan your working day on your own, combine this business with your base activity or even turn our collaboration into the main source of your income.

No limitations

Anyone can become our Partner. There are no limitations on age, sex and base occupation. Everything depends only on your eagerness to earn money and firmly follow your set objectives.

New status

You will work with one of well-known investing companies in the world. Working with our company, as well as with many large-scale and influential clients, you will receive a unique experience and great knowledge – become a financial expert, this will help you to reach your goals.

Financial expert is an occupation of the future. World industry actively develops, trade volume in the international currency market grows, and this, as a result, opens unlimited opportunity of independent, stable and interesting earnings.

Business World Investing Company invites for collaboration all initiative and enterprising people, who want to construct their own business in the sphere of financial investments. Business World Investing will make you more successful and your income higher.

Opportunity to construct independent business in the sphere of financial investments

Business World Investing continues the expansion of network of its Partners and offers you to become a representative of the company under beneficial terms with adequate reward for your work.

Business World Investing helps all its Partners become prosperous and experienced specialists in the sphere of financial investments. You can easily construct your own business based on partnership with a large investing company according to the following advantages:

1. High profit

Partners of large investing companies earn over \$16,000 a month in the USA, over \$32,000 in UK. For the last 20 years the profit in this sphere has grown significantly. Having started in Russia, it is real to obtain \$4,000-6,000 a month after 3 months of business and this is only the beginning!

2. Simplicity of working organization

A lot of variants of collaboration with our company exist. Many of our Partners continue working with other companies, some choose the occupation of financial expert as a base activity for themselves. To start earning money you need only to correctly define clients' needs, pick him a profitable variant of investment and arrange necessary documents. You can easily master this with the help of specialists of Business World Investing.

Our company gives you opportunity to receive working experience of financial investor, to better your wealth and to develop management skills for your own business. The income of independent partners is proportionate to the amount of attracted investments.

A Partner of Business World Investing Company: how to become and its duties

Profession of financial expert is very popular in the world – thousands of people in Europe and US try their best in this modern, dynamic and intellectual direction of business. Such interest is well-explained. Being a Partner of a large investing company, you receive a unique opportunity to earn money without any expenditures.

Now, a company of international level, offering everyone to become a Partner and start earning great money, has appeared in the Russian market. The name of this company is Business World Investing.

Our Partner can be of any education, wealth, age and sex. Above all is his(her) eagerness for permanent self-studying and serious approach to the work.

Duties of the Investment Company Partner

The Business World Investing Partners perform recommendation business. Their goal is to promote the services of the company and inform potential clients. Besides, recommendation business presumes carrying out presentations and demonstrations, where clients can get all necessary information.

How to become a Business World Investing Partner?

Everyone, who wants to become a Business World Investing Partner, should fill in a registration form. After that you are assigned a personal identifier, used while bringing in new investors to the company, who want to make investments in the international market of equities with objective to augment their money.

You, being a Business World Investing Partner, can develop your own business by bringing in new Partners to the company. It is worthy to notice, that we are not a financial pyramid, so a registration of every new Partner is free.

Partner's collaboration with the investing company

Business World Investing Company is interested in construction and development of partner network of independent financial experts. That is why we offer you to become our Partner.

Your duties

Business World Investing Partner's duties include searching new clients and consulting potential clients on questions of investments.

Having registered, you are obliged to keep the rules of our marketing program:

- a Partner should keep the laws of country where he/she works at;
- a Partner has no right to give any promise or make any statement on behalf of the name of our company.

Your rights

Our company commits itself to render help in the development of your business and pay out partners' reward according to their plans. The reward for attracted investments is calculated according to the following scheme:

- directly attracted investments – 3% from the amount of investments;
- investments, attracted by the first line partner – 1% from the amount of investments;
- investments, attracted by the second line partner – 0.5% from the amount of investments.

Beside rewards and help in business, Business World Investing company renders its partners informational support and supplied them with advertisement materials. Because of educational programs available for every partner of our company, all necessary information is mastered by specialists in short terms.

The advantages of partnership with Business World Investing

The main advantage of partnership with Business World Investing is in fact that you will work with one of very serious and promising investing companies in the world. The distinctive features of Business World Investing are as follows:

Professionalism of employees. The team of Business World Investing consists only from professionals of the highest level – they are graduates from well-known world universities. Every day they perform profitable deals, using different financial instruments, resulting in high profit. The specialists of our company share their knowledge with you – you receive a unique experience and useful information that can be applied in your own practice.

Stainless reputation. Longstanding successful work in the international market brings our company a stainless reputation based on professionalism of our employees and high quality of granted services.

Dynamic development. The development of Business World Investing is facilitated by the growth of stock market, the emergence of various investing instruments, raising level of earnings and high educational level of population of our country.

For years of its existence, Business World Investing has taken steady positions in the market of financial services and gained confidence of investors from different countries all over the world. Working with us, you receive a unique experience and great useful knowledge.

Business World Investing helps all its partners reach a brand new level. Our company facilitates the raise of your professional skills and guarantees a proper reward for your efforts, thus we make you closer to success and financial independence.

Partners' income

At present, Business World Investing has over 6,000 Partners. Everyone of them receives a great reward for his (her) work. As an example, the most successful Partner has already attracted 218 investors and his monthly income makes about \$31,800. You can easily reach such result if you choose one of the following variants of getting income:

Variant 1: active profit

You can receive active profit by means of direct attraction of investments. Making consultancy for clients, a financial expert proposes them various investing products. You receive a 3% reward from the amount of every investment, produced by your client.

Variant 2: passive profit

Your goal is to attract other Partners to Business World Investing, they should register in the system on your recommendation. When they find a client ready to use services of our company, you receive interest from the deal according to the following scheme:

- **First line partner's attraction of investments**

First line partner's attraction of investments is performed by your recommended partner. You receive a 1% reward from the amount of every investment made by such investor.

- **Second line partner's attraction of investments**

Second line partner's attraction of investments is performed by a partner of your structure, recommended by one of the first line partners. You receive a 0.5% reward from the amount of every investment made by such investor.

Conclusion

Occupation of financial expert enters the top 10 of highly-paid occupations in the world. This is understandable, because, being a partner of a large investing company, any person can ascend a brand new level of financial wealth.

Business World Investing specialists will find the most profitable and suitable variant of partnership, render you with informational support and help you manage this new business.

Business World Investing company will make you more successful and your income by far higher. We will be glad to have you among our Partners.
